

ANNOUNCEMENT AND CALL FOR PAPERS

International Conference on Air-Cooled Condensers

October 13–16, 2015 • Empark Grand Hotel • Xi'an, China

ACC TOPICS

- Design
- Performance
- Chemistry
- Corrosion
- Operation
- Maintenance

ACCUG STEERING COMMITTEE

- *Andrew Howell*, Xcel Energy, Chairperson
- *Barry Dooley*, Structural Integrity, Chemistry & Corrosion
- *Dave Rettke*, NV Energy, Maintenance
- *Hoc Phung*, PG&E, Design & Performance
- *Rene Villafuerte*, Comego, Operations
- *Gary Bishop*, StarWest Generation, Operations

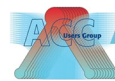

GENERAL INFORMATION

- Conference languages: English and Chinese, with translation
- Tours offered to Direct- and Indirect-cooled ACCs
- Details to be provided at <http://acc-usersgroup.org>

RESEARCH INSTITUTE

Please contact Andrew Howell, andy.howell@xcelenergy.com or (US) 303-887-1726, if you would like to present a paper or have specific questions.

INTERNATIONAL CONFERENCE ON AIR-COOLED CONDENSERS

Xi'an is an ancient city in the center of modern China.
There are a number of popular tourist sites in or near Xi'an.
